

THE TRIOLOGICAL SOCIETY

• AWARDS \$200,000 IN GRANT FUNDS •

The Triological Society has announced the funding of five research grants effective August 1, 2007. The five career development grants have been awarded in the amount of \$40,000 each for a period of one to two years. These awards will provide support for the research career development of otolaryngologists-head and neck surgeons who have made a commitment to focus their research endeavors on patient-oriented research such as clinical trials, translational research, outcomes research and health services research.

The Society has awarded \$1.6 million in grant funds since 1994
