

TRIOLOGICAL SOCIETY/ AMERICAN COLLEGE OF SURGEONS 2017-2018 CLINICAL SCIENTIST DEVELOPMENT AWARDEES

These competitive grant programs are designed to facilitate the research career development of otolaryngologists-head and neck surgeons with the expectation that the awardee will have sufficient pilot data to submit a competitive R01 proposal prior to the conclusion of the K award. These awards provide financial support in the amount of \$80,000 per year for up to five years to supplement the K08/K23 award.
